“ We would like to express our thanks for making our two Christmas luncheons such a success. This was a big job to cater 350 nurses in a hospital setting but you did it well. The turkey dinner and all the fixings were so delicious; I have had only positive feedback. Your attention to detail and organization in the set up in the take down was wonderful and allowed me to socialize with my co-workers. ”

“ We would like to thank you and your excellent staff for the superb catering job you did for our wedding on July 12th. We have had such positive feedback from all our guests on the menu, the food itself and the presentation. Your staff and chef were wonderful. The serving staff were lovely, efficient and very helpful. Your help from the first day we met to the actual day, was professional and of so much help...it was a pleasure working with you. Thank you all for being such a large part in making our day so special. We would highly recommend you and Classique, to anyone who is looking for quality catering. ”
